TOWN WARRANT

WORCESTER, SS.

To either of the Constables of the Town of Millbury, in the County of Worcester, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in elections and town affairs to meet at the Town Hall, in said Millbury, on Monday, the 4th day of February, next, at six o'clock in the forenoon, to elect the following officers, to wit:

Article 1. To choose a Town Clerk, Treasurer, Collector of Taxes, Auditor, Moderator, Six Constables, Tree Warden, One Road Commissioner, Three members of the Board of Selectmen, all for the term of one year; One member of the School Committee, One Road Commissioner, all for the term of two years; One Assessor, One member of Board of Health, One member of the School Committee, One Trustee of Public Library, One Cemetery Commissioner, Two members of Board of Public Welfare, One Road Commissioner, all for the term of three years; One member of the Millbury Housing Authority, for the term of five years, all to be voted for on one ballot.

Article 2. To choose all other necessary Town Officers for the year ensuing.

And to meet on March 8, 1952 at 2:00 P.M. in the Town Hall, in said Millbury, to act on the following articles, to wit:

Article 3. To hear the reports of several Town Officers and Committees and act thereon.

Article 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of streets, the maintenance of the Town Library, the observance of Memorial Day, Care and improvement of cemeteries, care of clocks, care of fire alarm, the use of the Tree Warden, the use of the Department of Veterans' Services, salaries of Fire Department, and Police Retirement, Pensions, or take any action thereon.

Article 5. To choose any committee or committees that may be thought necessary.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the purpose of making repairs to per-

manent sidewalks under the supervision of the Highway Commissioners, or take any action thereon.

Article 7. To see if the Town will vote to raise and appropriate or transfer from available unappropriated funds in the Treasury the sum of \$10,000.00 to be expended in conjunction with any money which may be allotted by the state or county, or both, under the provisions of Chapter 90 of our General Laws, to continue the reconstruction of Riverlin Street, or take any action thereon.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be paid to the West Millbury Cemetery Association for the care of neglected soldiers' graves, or take any action thereon.

Article 9. To see what action the Town will take regarding the hiring of two or more policemen to patrol our streets and to raise and appropriate money for same, or take any action thereon.

Article 10. To see if the Town will authorize the Assessors to print the Valuation and Tax List and raise and appropriate money therefor, or take any action thereon.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$1000.00 to be paid the Millbury Society for District Nursing, or take any action thereon.

Article 12. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 13. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

Article 14. To see if the Town will vote to raise and appropriate a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General

Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

Article 15. To see if the Town will vote to raise and appropriate \$50.00 to be paid to the Trustees for County Aid to Agriculture, in accordance with the provisions of and for the purpose of Chapter 128, General Laws.

Article 16. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for the general municipal purposes under authority of, and in accordance with the provisions of Chapter 49, of the acts of 1933, and amendments thereto, or take any action thereon.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

Article 18. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

Article 19. To see if the Town will vote to raise and appropriate a sum of money to install one street light on Auburn Road in front of the residence of Ernest Ryder, or take any action thereon.

Article 20. To see if the Town will vote to discontinue one (1) 600 lumen street light, located opposite Scott Street on Grafton and Worcester Road and install three (3) 6000 lumen street lights, equally spaced from Ackerman Road to Wheelock Avenue on Grafton and Worcester Road or take any action thereon.

Article 21. To see if the Town will vote to raise and appropriate a sum of money to install three (3) street lights on Lincoln Avenue Extension from the railroad tracks to end of street, or take any action thereon.

Article 22. To see if the Town will vote to contract with the Massachusetts Water Works Company to install one or more fire hydrants on Lincoln Avenue Extension at locations to be chosen by the Chief of the Fire Department or take any action thereon.

Article 23. To see if the Town will vote to raise and appropriate a sum of money to install a drainage system on Grafton Street in front of the property of Napoleon Gagne, and between the properties of M. Rocheleau, David D. Hag, and Axle Windberg on West side of 8 Lots Road, or take any action thereon.

Article 24. To see if the Town will vote to accept as a public street, the street known as Riverlin Parkway, for a distance of 1237 feet, as shown on the plan of land recorded with the Worcester Registry of Deeds, book 174, plan 96 or take any action thereon.

Article 25. To see if the Town will vote to raise and appropriate a sum of money for repairs and graveling of Riverlin Parkway or take any action thereon.

Article 26. To see if the Town will vote to accept as a public street, Elmwood Terrace, from the residence of Esthen Dursthoff to the home of Victor A. Salo, or take any action thereon.

Article 27. To see if the Town will vote to raise and appropriate a sum of money for repairs to Elmwood Terrace from the residence of Esthen Dursthoff to the residence of Victor A. Salo, or take any action thereon.

Article 28. To see if the Town will vote to raise and appropriate a sum of money to install three (3) street lights on Oak Pond Avenue on poles numbered 3; 9; 13; or take any action thereon.

Article 29. To see if the Town will vote to raise and appropriate a sum of money to install one (1) fire alarm box at the junction of West Main Street and Carleton Road or take any action thereon.

Article 30. To see if the Town will vote to accept as a public street a portion of Oak Pond Avenue starting at Millbury Avenue and extending for a distance of 1,650 feet to cement marker on Lot No. 85 or take any action thereon.

Article 31. To see if the Town will vote to raise and appropriate a sum of money for necessary repairs on Lake Street, or take any action thereon.

Article 32. To see if the Town will vote to raise and appropriate a sum of money to repair the sidewalk in front of the Millbury Bowling Center, or take any action thereon.

Article 33. To see if the Town will vote and appropriate the sum of \$300.00 to install a twenty inch pipe across Railroad Avenue, to replace old stone culvert that has caved in, or take any action thereon.

Article 34. To see if the Town will vote to raise and appropriate the sum of money necessary to relocate the curbing on the Westerly side of Wheelock Avenue for a distance of four hundred (400) feet from the home of William Robinson, complete the laying of new curbstone on the easterly side of Wheelock Avenue from the schoolhouse for four hundred (400) feet, resurface Wheelock Ave-

nue where necessary, due to the relocation of curbing and construction, new black top sidewalks on both sides of said Wheelock Avenue for a distance of four hundred (400) feet or take any action thereon.

Article 35. To see if the Town will vote to raise and appropriate a sum of money to improve the hazardous conditions on Dewey Street by grading and surfacing said street, or take any action thereon.

Article 36. To see if the Town will vote to raise and appropriate a sum of money to construct a Bituminous Concrete Sidewalk on the south side of Grove Street, beginning at Waters Street and ending at River Street, or take any action thereon.

Article 37. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to widen Martin Street beginning at the intersection of North Main Street and extended in a northeasterly direction approximately 1,200 feet and also to construct a sidewalk on the east side of Martin Street from North Main Street 1,200 feet, and to provide adequate drainage system from the corner of the new high school building site to the catch basins already installed on North Main Street, or take any action thereon.

Article 38. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to dredge the Elm Street side of the Blackstone River at a point opposite the land of Annetta V. Lucas to prevent further erosion of the river banks or take any action thereon.

Article 39. To see if the Town will vote to raise and appropriate a sum of money to install a drain and culvert on Lincoln Avenue from Miles Street Extension to Howe Avenue or take any action thereon.

Article 40. To see if the Town will vote to sell and transfer to Daniel H. Lemieux for a nominal sum approximately 1,600 square feet of land at the junction of Providence and Canal Streets in exchange for land previously deeded to the Town for Highway purposes at that point or take any action thereon.

Article 41. To see if the Town will vote to deed and transfer to Mary Budreau and daughters for a nominal sum a certain tract of land containing approximately 228 square feet as shown on plan of New High School Site by C. L. Woodman, surveyor, or take any action thereon.

Article 42. To see if the Town will vote to raise and appropriate the sum of \$500.00 for a new F M radio receiving and sending set for the cruiser car, or take any action thereon.

Article 43. To see if the Town will vote to raise and appropriate the sum of Five Thousand (\$5,000) Dollars to be used to install a fireproof stairway as stated on blue print and also a ceiling on second floor of Fire Headquarters or take any action thereon.

Article 44. To see if the Town will vote relative to re-instatement in the public service of persons leaving or resigning therefrom to serve in the armed forces under the flag of the United Nations or during time of war, or take any action thereon.

Article 45. To see if the Town will vote to raise and appropriate the sum of \$800.00 for the rent and heat of the present quarters of the Charles F. Minney Post 3329 Veterans of Foreign Wars, on Elm Street, Millbury, or take any action thereon.

Article 46. To see if the Town will vote to provide quarters for the Amvets Millbury Memorial Post #109 and raise and appropriate a sum of \$800.00 Dollars for this purpose, or take any action thereon.

Article 47. To see if the Town will vote to raise and appropriate the sum of One Thousand (\$1,000.) Dollars for the purpose of levelling the Town Playground at East Millbury and purchasing playground equipment for the same, or take any action thereon.

Article 48. To see if the Town of Millbury will vote to repeal Section 1 of Article 2 of the By-Laws of the Town of Millbury and insert in place thereof the following:

Section I. The annual meeting for the election of town officers shall be held on the second Monday in March and the annual meeting for the transaction of other business on the Saturday afternoon following at 2 o'clock.

Article 49. To see if the Town of Millbury will vote to repeal Section 2 of Article 15 of the By-Laws of the Town of Millbury and insert in place thereof the following:

Section II. No contract for the purchase of equipment, supplies, or materials the actual or estimated cost of which amounts to \$300 dollars or more, except in cases of special emergency involving the health or safety of the people or their property, shall be awarded unless proposals for the same have been invited by advertisement in at least one newspaper, such publication to be at least one week before the time specified for the opening of said proposals. Such advertisement shall state the time and place for opening the proposals in answer to said advertisement, and shall reserve to the town the right to reject any or all proposals. All such proposals

shall be opened in public. No bill or contract shall be split or divided for the purpose of evading any provisions of this section and the results of the bidding shall be published in the same manner provided for proposals, or take any action thereon.

Article 50. To see if the Town will vote to instruct the Moderator to appoint a committee to investigate the feasibility of adopting a Town Manager form of government and report back at a later meeting or take any action thereon.

Article 51. To see if the Town will vote to instruct the Moderator to appoint a committee of five (5) to investigate and study the advisability of joining a Public Health Union as provided by a recent Act of the General Court, and report back at a later meeting, or take any action thereon.

Article 52. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury the sum of six hundred fifty (650.00) dollars to convert the present coal-burning boiler to oil, or to take any action thereon.

Article 53. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury the sum of five hundred (500.00) dollars to install storm windows where needed in the various town offices, Town Hall Building, or take any action thereon.

Article 54. To see if the Town will vote to instruct the Moderator to appoint a committee to investigate the cause of apparent sewerage flowing into public streets at the following locations:

West Main Street, Gould Street, and Dorothy Road, and report back at a later meeting, or take any action thereon.

Article 55. To see if the Town will vote to raise and appropriate the sum of \$300.00 to repaint the school safety zones under the supervision of the Police Department, or take any action thereon.

Article 56. To see if the Town will vote to raise and appropriate, or transfer from available funds, the sum of \$2,500.00 for the construction of a vault in the basement of the Town Hall Building for the purpose of storing Town Records of the various departments, or take any action thereon.

Article 57. To see if the Town will vote to amend the Town By-Laws by the insertion of the following: Article 7A Section 1. No person shall remove or transport garbage, offal or other offensive material through any public street, court, lane or way without first obtaining a permit from the Board of Health, and provided

further that he shall remove and transport the material herein mentioned in accordance with such reasonable rules and regulations as may be established by the said Board of Health. All such permits shall expire on December 31st of the year in which they are issued, but may be renewed annually. They may be revoked by the Board of Health at any time for cause. No permit shall be transferred except with the approval of the Board of Health. Carts or Vehicles used for transporting offensive material shall be water tight and shall be securely covered with a wood, iron or canvas cover. Nothing in this section shall be so construed as to prevent a householder from disposing garbage, offal or other offensive material from his own household without a permit from the Board of Health provided he shall remove, transport, or dispose of such garbage, offal or other offensive material in a manner satisfactory to the said Board of Health.

Section 2. No person shall keep within the limits of this town, in any building, or on any premises of which he may be the owner, lessee, tenant or occupant, any swine, without a permit from the Board of Health. All such permits expire annually on December 31st and may be revoked by the Board at any time for cause.

Section 3. The owners or persons in control of any buildings or premises, in which cows, goats, live fowl or swine are kept, shall keep the buildings and premises clean and free from decaying food, filth, dirt and stagnant water. The buildings and pens shall be white-washed or disinfected and put in such condition as may be ordered by the Board of Health.

Section 4. The owner or other person or persons having control of any existing building or buildings hereafter erected or converted into premises to keep swine or other domestic animals shall keep their barns, stables and yards clean, and shall provide a pit constructed of cement or other suitable material for the reception of manure and other refuse matter. When a public sewer is accessible, the Board of Health will decide as to the advisability of connecting such building with such public sewer.

Section 5. Garbage to be collected once a week throughout the year with the exception of the months of June, July, August and September when the collection should be made twice a week.

Article 58. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be expended under the supervision of the Board of Health for the collection of garbage or take any action thereon.

Article 59. To see of the Town will vote to accept as a public street 1,000 additional feet of MacArthur Drive so-called, from the end of the present public street to Lot #29, as shown on plan filed with the office of the Town Clerk and laid out by the Board of Survey, or take any action thereon.

Article 60. To see of the Town will vote to raise and appropriate the sum of \$300 to settle a claim for damage to the land of Charles Forrest caused by the reconstruction of Riverlin Street or take any action thereon.

The polls will be open at 6:00 A.M. and shall be closed at 6:00 P.M.

And you are directed to serve this warrant by posting up an attested copy thereof at each of the Post offices and at the First Congregational Meeting House in Bramanville, and at the Fire Station located on Wheelock Avenue, East Millbury, and at Letendre's Store at Dority Pond, and at Farmer's Store on Park Hill Avenue, in said Town, seven days at least before the time of holding said meeting.

HEREOF fail not and make return of this Warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given under our hands this seventeenth day of January in the year one thousand nine hundred and fifty-two.

LAWRENCE J. ARMY

DIANA HILL

JOSEPH A. STEAD

Selectmen of Millbury.

Constable of Millbury.

Attest:
Millbury, Mass.

Report of Selectmen

To the Citizens of the Town of Millbury :

The Board of Selectmen herein present the reports of the various Town Officers for the year ending December, 1951.

We wish to extend our sincere appreciation to all Town Officials and Departments for their cooperation and assistance during the past year and to state that their efforts, on behalf of the Town, were of great assistance to us in the performance of our own duties.

A major improvement was made at the intersection of Canal and Providence Streets with the removal of the Ballard house and the reconstruction of the road which eliminated a dangerous curve. The county has established a line forty feet back from the edge of the road prohibiting any building construction beyond that point.

During the year, twenty-one Memorial Markers,, at the request of the Gold Star Mothers, have been installed in various Squares throughout the Town in honor and respect of their boys who made the Supreme Sacrifice. Dedication ceremony was held to pay proper tribute to these heroes.

During the course of the year, the Town undertook the largest loan in its history. This was an \$800,000.00 bond issue for the new High School on the Martin Street site. This transaction was handled by the Merchants National Bank of Boston, who personally notified 125 prospective bidders, and was advertised in 3 leading financial journals. Five bids were submitted. The Board accepted the lowest bid submitted by the Worcester County Trust Co., Worcester and the Millbury National Bank, Millbury at 2% interest with a premium of 100,317. The Board selected the 15 year plan.

The Board took, by eminent domain, the property of Peter J. McManus and portions of Cataldo's and Budreau's land for the new High School site. One house and barn on the McManus property was sold to Martin Tranter, who had occupied the same for a great number of years. At the request of the contractor, the remaining buildings were left standing for storage facilities.

The Selectmen's Rooms, Town Clerk's Office, Veterans' Administration Office, and entrance to Legion Rooms were painted.

Mr. Robert Cuthbertson was appointed to the police department to fulfill the vacancy caused by the resignation of Mr. Terrence Sweeney.

Mr. Frank Mazzeo was appointed Tree Warden to fulfill the unexpired term of the late Edward F. Roach.

With the cooperation of the Worcester Street Railway Company, bus service was extended to the West Millbury area on Saturdays.

Respectfully submitted,

LAWRENCE J. ARMY,
DIANA HILL,
JOSEPH A. STEAD,

Selectmen of Millbury.

Report of Inspector of Wires

To the Selectmen of the Town of Millbury:

I submit my report of work as Wire Inspector for the Town of Millbury, from July 2, 1951 to December 31, 1951.

I have had 228 request for inspection, many of these have required 2 and 3 calls.

I have traveled more than 750 miles to make these calls.

Respectfully submitted,

EDWARD J. COMMO,

Wire Inspector.

Veterans' Service Department

December 31, 1951.

To the Honorable Board of Selectmen:

As Veterans' Agent, I hereby submit my report of services rendered for the year ending December 31st, 1951.

1360 Visits were made at the office by veterans, or their dependents, seeking various information pertaining to their rights and benefits, under Federal and State Laws.

13 Original discharges recorded, bringing the total of official recordings to 853.

199 Photostatic copies of discharge papers were made. Many other documents, such as birth, marriage, divorce and death certificates were photostated for use with Veterans' Benefits claims and claims against the Veterans' Administration.

30 Claims for abatement of Real Estate Taxes were filed by disabled veterans, holders of the Purple Heart Award, and Gold Star Parents.

36 Men were registered for the draft. There are approximately 140 men from Millbury serving in the Armed Forces at the present time.

150 Claims were filed with the Veterans' Administration and other branches of the Government, pertaining to Education, Training, Subsistence Allowance, Insurance, Medical Treatment, Allotments, Compensation, and Pensions, for veterans and their dependents. Of these there were 24 admissions to Cushing VA Hospital, and 15 referred to the Veterans' Administration in Worcester, for outpatient treatment.

Retroactive awards received from the Veterans' Administration through the aid of this department for our veterans totalled \$2,272.00 and an additional \$6,540.00 will be received annually by Millbury veterans whose claims have been adjudicated. There are a number of claims that have been filed this year, but final action has not been taken by the Veterans' Administration.

Veterans' Benefits:

A total of 54 applications were received during the year ending December 31st, 1951—

47 Cases with Millbury Settlements.

6 Cases with Out-of-Town Settlements.

1 Case State Settled.

A total of \$21,865.13 was expended for Veterans' Aid during the past year. Of this amount 50.33% either has been, or will be reimbursed to the Town.

Report of Highway Surveyor

To the Honorable Board of Selectmen:

I hereby submit my report as Highway Surveyor for the year 1951.

I have endeavored to maintain an efficient administration and have expended as efficiently as possible the appropriations allotted to the Highway Department.

We have patched and graveled all streets requiring it and have also oiled all streets requiring such treatment. Some drainage has also been installed this year. All work done was of a permanent nature.

We have overhauled all equipment, and where needed have painted it.

On the Chapter 90, Riverlin Street Project, we have about 2,500 feet ready for resurfacing.

More men and equipment have had to be employed to take care of the snow and ice than we usually have at this time of the year because of the extremely severe winter.

Respectfully submitted,

LEVI J. CHASE,
Highway Surveyor.

The Police Department purchased an ambulance with money raised by its members by picking up paper and running different affairs to raise this money. The ambulance has been used 56 times so far to transport people to different hospitals in the City of Worcester.

We, the Police Department, wish to take this opportunity to thank all the people, manufacturers and organizations for their help toward making it a success.

Respectfully submitted,

FRED H. VULTER,

Chief of Police.

Report of the Board of Public Welfare

To the Selectmen of the Town of Millbury:

The report of the Charlton Home Farm Association will be found on another page of this book.

On November 1, 1951, Chapter 741 of the Acts of 1951 established a new category of public assistance entitled, "Assistance to Persons who are Disabled" and provides for assistance to needy persons, eighteen years of age or over, who are permanently and totally disabled.

Our budget for the coming year will have to include sufficient funds to take care of this new type of aid.

During the year our Temporary Aid caseload consisted of 98 cases representing 217 persons as follows:

47 cases with Millbury Settlements

14 Cases with No Settlements (State)

15 cases with Out-of-Town Settlements

22 cases with Millbury Settlements living elsewhere

These cases consisted of the following types: persons not old enough for Old Age Assistance; non-citizens; chronic and temporary illness; physical handicap; desertion and non-support; incompetency; insufficient wages; unemployment.

Below is our itemized report which eliminates the names of recipients which according to General Laws, Chapter 40, Section 51, "no Town or Officer thereof shall publish in any report for general distribution to the public or to its citizens the names of persons assisted in any way by the Board of Public Welfare."

OLD AGE ASSISTANCE

Our case load on OAA during the year covered 215 cases as follows:

- 138 cases with Millbury Settlements
- 34 cases with No Settlements (Sate)
- 23 cases with Out-of-Town Settlements
- 20 cases with Millbury Settlements living elsewhere

Effective October 1, 1951 all OAA cases were increased on a 5.9 percent increase and effective January 1, 1952 Old Age Assistance cases were increased to meet minimum rates according to the new changes made in the OAA laws. With these increases our OAA expenses will be considerably higher and that is the reason why we are obliged to ask for a larger appropriation for the coming year.

Also effective January 1, 1952 is the Real Estate Lien Provision in OAA and the board of Public Welfare is required to take a lien on real estate owned by all persons receiving OAA on and after January 1, 1952 and to enforce any lien upon the death of the recipient or his otherwise ceasing to receive OAA.

Report of Engineers of the Fire Department

To the Board of Selectmen:

The Engineers appointed by your board met and organized as follows:

William D. Horne—Chief.

Richard F. Gilbert—First Assistant and Clerk.

Daniel H. Lemieux—Second Assistant.

During the year Number 1 Company answered 37 bell alarms, 27 still alarms and 30 false alarms. Number 2 Company answered 31 bell alarms, 4 still alarms and 8 false alarms. Number 3 Company answered 3 bell alarms. Number 4 Company answered 26 bell alarms.

Our fire loss is as follows:

Value of buildings	\$47,500.00
Loss on buildings	5,483.00
Insurance on buildings	20,200.00
Insurance paid on buildings	4,183.00
Value of contents	12,900.00
Loss on contents	2,516.00
Insurance on contents	5,000.00
Insurance paid on contents	916.00

The equipment of the Fire Department consists of the following:

Number 1 Company—One American LaFrance Triple combination 750 gallon pumper, 2,650 feet of $2\frac{1}{2}$ inch hose, 600 feet of $1\frac{1}{2}$ inch hose, 100 feet of $\frac{3}{4}$ inch booster pump hose, two $2\frac{1}{2}$ inch double gates, two $1\frac{1}{2}$ inch double gates, 3 nozzles for $2\frac{1}{2}$ inch hose, three $1\frac{1}{2}$ inch nozzles, 100 feet of $\frac{1}{2}$ inch hose, two oil lanterns, 3 electric lanterns, 14 rubber coats, 14 helmets, 1 acid chemical, four pump cans, one E. & J. resuscitator, two pair of boots, four axes, one C. O. 2 extinguisher, one first aid kit, two sets of right and left couplings, one five inch adapter, one, five inch double adapter, one twenty-four foot aluminum ladder, one fourteen foot roof ladder, fifteen gallons liquid foamite and one foamite nozzle.

Number 2 Company—One American LaFrance triple combination 750 gallon pumper, 2,800 feet of $2\frac{1}{2}$ inch hose, 700 feet of $1\frac{1}{2}$ inch hose, 200 feet of $\frac{3}{4}$ inch booster pump hose, two $2\frac{1}{2}$ inch double gates, one $1\frac{1}{2}$ inch double gate, four $2\frac{1}{2}$ inch nozzles, two $1\frac{1}{2}$ inch nozzles, one fog nozzle, one rubber blanket, 14 rubber coats, 14 helmets, four $2\frac{1}{2}$ gallon acid extinguishers, one C. O. 2 extinguisher, one deck gun, two first aid kits, one gas mask, three axes, four electric lights, one cable-cutter, 10 pounds of soda, two gallons of acid, one pump can, one crowbar, one door opener, two sets of $2\frac{1}{2}$ inch right and left couplings, one plaster nozzle, one pike pole, 4 hydrant wrenches, one cellar pipe, one coupling replacer, one gas shut-off wrench, one hydraulic jack, five ladder straps, seven spanners, one blinking light, 1 twenty-four foot extension ladder, 1 twelve foot roof ladder, plaster hook, and fifty feet of rope.

Number 3 Company—One Ford Combination Hose and Pumper, with (350 gallon booster tank), 1,500 feet $2\frac{1}{2}$ inch hose, 150 feet $1\frac{1}{2}$ inch hose, 200 feet 1 inch hose, one C. O. 2 extinguisher, one $2\frac{1}{2}$ inch suction connection, 11 pump cans, one 30 foot aluminum extension ladder, one 14 foot aluminum roof ladder, one 10 foot aluminum pole ladder, 6 pair boots, 11 rubber coats, 2 gas masks, 12 helmets, 1 first aid kit, 1 pike pole, 1 axe, 1 crow bar, 4 flash lights, 1 flare

light, three $2\frac{1}{2}$ inch nozzles, one $1\frac{1}{2}$ inch nozzle, one $1\frac{1}{2}$ inch nozzle, one $1\frac{1}{2}$ inch fog nozzle, one applicator, 2 hydrant wrenches, one $2\frac{1}{2}$ inch siamese, one $1\frac{1}{2}$ inch siamese, 4 spanner wrenches, 1 battery charger, 1 (2 H. P.) siren, and 1 cabinet heater.

Number 4 Company—One Seagrave 65 foot Aerial Ladder, one smoke mask, one inhalator, 2 foam type extinguishers, 1 Miller pump can, 1 Ansur dry chemical, two electric lanterns, 150 feet of $\frac{3}{4}$ inch hose for booster pump, 300 feet of $2\frac{1}{2}$ inch hose, four rubber coats, one first aid kit, 4 rubber blankets, 2 axes, one $2\frac{1}{2}$ inch nozzle, one $1\frac{1}{2}$ inch nozzle, 2 pike poles, 2 sledge hammers, 1 deck gun, one electric lighting system and 200 feet of $\frac{3}{4}$ inch rope.

Number 5 Company—One Stewart Forest Fire truck, one $2\frac{1}{2}$ gallon extinguisher, fourteen pump cans, 200 feet of $2\frac{1}{2}$ inch hose and 1 ($2\frac{1}{2}$ inch) nozzle.

Each Company consists of 12 regular men, and two substitutes. Ladder truck company consists of four men. The engineers have made inspections of hotels, taverns and rest homes and found them in good condition.

The fire loss for 1951 is exceptionally low. A great deal of credit is due to the people becoming more fire-minded. Please co-operate with the fire department as in the past and see if we can still reduce our fire loss. This helps to keep our insurance rates down.

This year we have painted fire headquarters outside, purchased 250 feet of $2\frac{1}{2}$ inch hose and repainted Number 2 truck.

Respectfully submitted,

WILLIAM D. HORNE,
RICHARD F. GILLERT,
DANIEL H. LEMIEUX,

Board of Fire Engineers.

Report of Millbury Public Library

To the Selectmen of Millbury:

We herewith submit our annual report for the year of 1951, the Librarian's report is herein included.

(Signed) LAURA E. PALETTA,

Librarian.

DENNIS L. KELLIHER,

M. PEARL LACOUTURE,

CHAUNCEY C. FERGUSON,

Trustees.

Report of Tree Warden, Gypsy Moth and Elm Beetle Superintendent

To the Honorable Board of Selectmen:

I hereby submit my report as Gypsy and Brown Tail Moth and Elm Beetle Superintendent of the Town of Millbury.

Elm Beetle have been raising havoc this past year, our only means of control is to keep the remaining Elms as

healthy as possible by constant care and spraying, this is only preventive work but in the long run will cost much less than paying for the removal of every elm tree if we let them all die; at best the cost will be tremendous but well worth it if we keep even most of our elms healthy and alive for the day when the cure is known.

The Gypsy and Brown Tail Moth situation should be kept under close surveyance to prevent spreading of this disease.

Respectfully submitted,

FRANK A. MAZZEO,

Moth and Elm Beetle Supt.

REPORT OF TREE WARDEN

Millbury, Mass., December 31, 1951.

To the Honorable Board of Selectmen of the
Town of Millbury:

I hereby submit my report as Tree Warden of the Town of Millbury.

During the past year I have cut down a number of dangerous trees, and did a great deal of trimming of trees and brush on the highway.

Sincerely,

EDWARD F. ROACH

FRANK A. MAZZEO,

*Tree Warden of the
Town of Millbury.*

Report of Board of Health

Millbury, Mass., December 28, 1951.

To the Honorable Board of Selectmen:

We hereby present the annual report of the Board of Health for the year 1951.

The following cases of the contagious diseases were reported:

Chicken Pox	101	Salmonella	1
German Measles	7	Dog Bite	53
Mumps	48	Measles	73
Tuberculosis, P.	5	Scarlet Fever	16
Syphilis	1	Whooping Cough	2
Typhoid Fever	1	Septic Sore Throat	1
Tetanus			1

On January 1, 1951, we had two (2) patients at the Worcester County Sanatorium and (4) were admitted and (3) were discharged and (1) died, leaving as of December 31, 1951, two (2) patients.

We had on January 1 at Lakeville Sanatorium (1) and (1) was admitted, (1) was discharged and (1) died, leaving none as of December 31, 1951.

We have taken 97 children and adults to the Worcester County Sanatorium for chest X-Rays. We have licensed two (2) boarding homes for the aged and one (1) for children, all being approved by the State Board of Health. We have licensed two (2) houses to conduct Child play school, and licensed 4 dairies to Pasteurization of Milk.

All contagious diseases must be reported whether you have a doctor or not. We greatly appreciate the co-operation the parents have given us during the past year.

We have received 91 complaints of which there were 40 that were not signed; we do not investigate complaints not signed; we find that most are complaints about rubbish and garbage left on the roadside by passing motorists.

Respectfully submitted,
Millbury Board of Health,
ARTHUR A. BROWN, M.D.
MARCUS M. HENNEBERY,
LOUIS H. BALLARD, *Agent*

Report of Millbury Housing Authority

Millbury, Mass., February 1, 1952.

To the Honorable Board of Selectmen:

We, the members of the Millbury Housing Authority, hereby submit our annual report for the year 1951.

At the annual town election in February 1951, Mr. Gordon Breault was elected as the new member of the Millbury Housing Authority to serve for 5 years. Mr. Breault replaced Mr. William Russell who retired from the Board.

The following week the Board held its annual meeting for the purpose of organization. Officers elected were:

John M. Hamilton, Chairman
 Richard J. Dwinell, Vice-Chairman
 William J. Gibson, Treasurer
 Gordon Breault, Assistant-Treasurer
 Anthony J. Leclair, Member

The beginning of 1951 saw 10 houses in our project occupied by the families of Veterans. The 15 remaining units were nearing completion. Early in February, these units were completed and accepted for occupancy. 12 families moved in during February and the 3 remaining houses were occupied early in March.

Weekly pickup of garbage and trash was initiated early in the year. Bids were requested for this purpose, and the bid of \$290.00 by Mr. William Stratford was the lowest received.

In the spring, landscaping and planting was begun. The Authority hired Mr. Terrence Sweeney as inspector during this work. This work continued throughout the summer, and by August the project had a full stand of grass, and most trees and shrubs were planted.

The Authority received several complaints of odors arising from the sewerage disposal unit. The general contractor was notified but he was reluctant to accept responsibility for the condition. Thereupon, the Department of Public Health was called in, and after a series of tests, recommended several changes. The Authority's architect was not in agreement with the Department of Public Health recommendations, and ordered the contractor to re-excavate around the septic tank at which point the architect believed the trouble existed. A leak was located in the collection manhole, and it appeared that the raw sewerage was escaping and by-passing the treating system. It was then being picked up by the collection laterals, and was ultimately finding its way into the effluent drain. This leak was sealed, but to insure against similar mishaps, the contractor was ordered to rewall all manholes in the project.

It was the hope of the Authority that it would be in position to request permanent financing from the State early in 1952. However, because of work remaining unfinished, the Authority has refused to release the R & S Construction Co. from their obligations. It now appears that permanent financing will be delayed until later in the year.

The question of rents has been brought up many times. For the information of the towns' people, we offer the following regarding rents in the Millbury Housing Project. The average rent during 1951 was \$38.72 per house per month. This was a few cents higher than the minimum average rent required by the State to meet expenses of the Project. The rents ranged from a low of \$26.50 to \$48.00. Size of the unit had no bearing on rent assessment, but net earnings of husband and wife, and number of children were the determining factors. A formula set up by the State Housing Board was used with the above information in computing rents.

As we approach the period of permanent financing, we are pleased to report all expenditures associated with construction of the project from April, 1950 to December 31, 1951. These expenses were drawn from our temporary bond issue of \$315,000.00, and were considerably less than anticipated.

Administration:	
Salary of Director	\$1,330 00
Legal Service	600 00
Travel Expenses of Authority	248 72
Furniture and Fixtures	245 70
Office Supplies	159 44
Communication Service	193 38
Fidelity Bond	107 26
Advertising	232 55
Fiscal Fees	255 74
Carrying Charges:	
Interest on Bonds (anticipated)	2,552 00
Insurance	61 40
Architectual and Engineering Fees:	
Architect Fees and Services	8,291 10
Travel of Architect	55 00
Borings and Test Pits	346 34
Blue Prints	221 69
Inspectors for Authority	3,250 00
State Housing Advisor Costs	811 30
Acquisition of Site	
Purchase Price	3,494 65
Survey and Maps	1,051 00
Site Examination	172 15
Site Improvement	29,720 06
Structures and Equipment	
Structures	226,993 05
Refrigerators and Ranges	5,628 51
Miscellaneous Equipment	255 22
Pre-Occupancy Charges	
Tenant Selection Forms	34 03
Preliminary Expenses	131 73

Total all accounts	<u>\$286,442 02</u>
--------------------	---------------------

The balance sheet for our Administration Fund reflects rent receipts and operation costs of the project since occupancy began.

MILLBURY HOUSING AUTHORITY ADMINISTRATION FUND—DECEMBER 31, 1951 BALANCE SHEET

Assets	
Millbury National Bank	\$7,026 35
Tenants Acc. Receivable	117 50
Management	805 46
Operating Service	363 58
Utilities	225 00

Repair, Maintenance and Replacement	90 73
General Expenses	1,937 38

Liabilities

Withholding Tax	\$39 00
Rent Schedules	10,527 00

\$10,566 00	\$10,566 00
-------------	-------------

We are greatly pleased with the way our tenants have maintained their units. They have improved upon the general appearance of the project far beyond our expectations. We sencerely hope this co-operation continues. For those towns' people who have not viewed our project, we offer an invitation to drive or walk around Memorial Drive off Grafton Street sometime during the spring.

We feel sure that the beauty of the surroundings and the neatness of the dwellings will be a testimonial to these visitors of the worthwhileness of veterans' housing in Millbury.

Respectfully submitted,

JOHN M. HAMILTON

RICHARD J. DWINELL

WILLIAM J. GIBSON

GORDON BREAUULT

ANTHONY J. LECLAIR

Board Members.

RICHARD N. KENARY

Executive Director.

In Millbury—Tuesday, Thursday and Friday

In Oxford—Monday and Wednesday

Office Hours: 9:00 A.M., Tuesday, Thursday
at High School

School Calendar, 1952

Winter Term	January 2, 1952 to February 15, 1952
Spring Term	February 25, 1952 to April 18, 1952
Summer Term	April 28, 1952 to June 20, 1952
Fall Term	September 3, 1952 to December 23, 1952

School Sessions

Grades I-II 8:45 A.M. to 11:15 A.M., 1:00 to 3:00 P.M.

Grades III-VI: 8:45 A.M. to 12 M; 1:00 to 3:00 P.M.

High and Junior High Schools: 8:15 A.M. to 1:20 P.M.

Report of School Committee

To the citizens of Millbury:

Your School Committee herewith submits the annual report for the school year ending December 31, 1951.

Because of the increased enrollment in our grammar grades, it was found necessary to begin double sessions in the Dorothy Manor and the Burbank Schools this September. We feel that next September we shall have to add double sessions for the first and fifth grades at Dorothy Manor and the fifth grade at Burbank.

During the summer months, major repairs were made in the toilets of the Junior High School and minor repairs to the roof and furnace at the High School and the furnace at the Providence Street School.

The total cost to the town for the operation of the school was \$144,334.25. This figure was made possible by refunds of \$59,714.50 to the town from the state.

APPROPRIATION STATEMENTS

DR. MARCUS M. HENNEBERY,

DR. E. OLIN ANGELL,

School Committee.

Report of Superintendent of Schools

To the School Committee:

I respectfully submit my fifteenth annual report and the sixty-second in the series of reports of the Millbury School Superintendents.

Crowded conditions in our grammar grades necessitated a double session at both the Dorothy Manor and Burbank Schools this year. Next year the condition will be aggravated, and at least four more double sessions will be needed. The completion of the new high school building will enable us to return eventually to single sessions in all the grammar grades.

The wisdom of the School Committee and the citizens of Millbury in building a new high school becomes apparent on reading the report of the Commission on Life Adjustment for Youth, sponsored by the United States Office of Education. This report, published in October of this year, is a three-year study of the various phases of secondary education. The Commission reached conclusions which are of vital interest to all public school systems, and especially to us here in Millbury. It brought out the fact that between the years 1900 and 1950 enrollment in secondary schools has increased ten-fold. A tremendous change has also occurred in the composition of youth attending high school. In 1900 11% of the age group going to high school attended school for the definite purpose of preparing themselves for college. Today the 75% of the age group which attends high school represents a cross section of the entire age group. Twenty per cent are enrolled in college-preparatory classes, another twenty per cent in vocational courses, and the remaining 60%, who do not plan to enter college or a trade, find that the high schools do not meet their needs. The Commission found that American high schools urgently need improvement in helping the 60% of their graduates who are floundering in their search for careers.

The increased enrollment of the last fifty years has meant a rapid expansion of school plants, increased costs, and the employment of many more teachers as well as different types of teachers. The Commission found, however, that the high school program has changed but little in the fifty-year period. Many high schools are still operating under the 1900 program which satisfied the needs of the students of that time when a great majority of secondary school

graduates went on to college. The Commission says that far-reaching changes must be made in American secondary education if it is to meet the needs of our times. It recommends the development of life-adjustment education. This means that the high school program should be changed to meet the everyday needs of the boys and girls, so as to give them an "education for life."

The Commission sought to answer the question, "What should be taught in the high schools?" It recommended a concern for ethical and moral living; a recognition of the importance of reading, writing, arithmetic, and effective speech; a concern for wholesome recreational interests, of the importance of personal achievement, of the dignity of work and of creative achievement. The most important thing of all, the commission says, is a recognition of the inherent dignity of the human personality.

In studying the report and the recommendations of the Commission on Life Adjustment for Youth it was a great satisfaction to consider that here in Millbury many of these recommendations have already been put into practice, and that our new high school will allow us to realize most of the other objectives recommended by the Commission.

After much investigation and study the Rinehart method of penmanship was introduced as an added feature of our educational system. Already the advantages of this system are very pronounced in the improvement shown by all our pupils. The Curriculum Guide, a course of studies prepared by a group of outstanding teachers under the guidance of the State Department of Education, was completed this year and is now the official course of studies for the first six grades of grammar school. It has already proved its value as an aid to the teachers, and will facilitate the transfer of pupils from one school system to another.

Today great emphasis is placed in educational circles on the ability to read rapidly and intelligently. In line with this development several of the teachers have taken special reading courses and all the teachers have concentrated on improving readability in the pupils. The result has been a marked advance both in the ability to read rapidly and the comprehension of the material studied.

Repairs during the year were restricted to the renovation of the toilet facilities for both boys and girls in the Junior High School. During the coming year we should, on the recommendation of the State Boiler Inspector, retube the boiler in the high school, and also install a new boiler and modernize the heating system at the Providence Street School. The cost of this work at the Providence Street School will be approximately \$11,000. The interiors of both the Junior High School and the Burbank Schools should be redecorated, and new flooring should be installed throughout the Junior High School building.

Changes in Teaching Staff

APPOINTMENTS

<i>Name</i>	<i>School</i>	<i>Date</i>
Margaret Kinniery	Providence Street	Sept 5, 1951
Ann Marie Murphy	West Millbury	Sept 5, 1951

Mrs. Helen Dolan	Burbank	Oct. 29, 1951

TEMPORARY TEACHERS

<i>Name</i>	<i>School</i>	<i>Date</i>
Mrs. Elizabeth Shaw	Burbank	Sept 5, 1951
Mrs. Elizabeth Lajoie	Dorothy Manor	Sept 5, 1951

During the past year our School Department lost the services of one of its most able employees. Dr. Arthur A. Brown retired as School Physician after twenty-six years of useful and efficient service to the pupils of the Millbury School System. We know that everyone in our department joins with us in expressing our most sincere thanks to Dr. Brown for the many kind services he has performed during his years of service.

In filling the position of School Physician we were extremely fortunate in securing the services of Dr. Richard E. Church.

Horace Mann Pupils

During the year the following pupils were added to the Horace Mann list in the Millbury High School:

Marion Anderson
Barbara Dunn
Shirley Salmonsens
Jean Shea

We wish to thank all who have contributed to the success of this school year. The members of the School Committee have been most generous in devoting their time and experience to solving the various problems which arose during the year. The parents have been most cooperative and continued to show a lively interest in everything that effected the education of their children. Particularly, the Parent-Teachers' Association has been most helpful in organizing timely and interesting programs both for the teachers and the pupils. To all we wish to express our sincere appreciation.

Respectfully submitted,

WILLIAM D. SHEA,

Superintendent of Schools.

REPORT OF MR. STEPHEN BEATON, HIGH SCHOOL PRINCIPAL

The attendance in the high school at the beginning of this school year again showed an increase. Although this increase is not large (from 353 to 367) it is indicative of what has been predicted throughout the country and what we are told will continue to the peak year which is calculated to arrive about 1960. Ordinarily this would be a matter of serious concern to us in the present high school but with the prospect of a new high school in the near future and with the realization that should the new school not be ready for the next school year we would, by dropping the library and using the sewing room as a home room, still be able to take care of an additional twenty-five students. This additional rise may very well be possible as we will have a small graduating class and large incoming freshman class next year. However, in the early forties we were able to take care of 394 students and it can be done again if emergency necessitates it being done.

Two changes occurred in our faculty during the past year. The first was occasioned by the selection of Mr. Thomas Hamilton for the U. S. Armed Services. Mr. Hamilton was teacher of third and fourth year English which vacancy is being at present filled by Mrs. John Owen, a former Millbury High teacher. To Mr. Hamilton may we wish a pleasant stay in the Army and a speedy return to our teaching staff. The second change came about when after the death of Mr. William Kinnier Miss Adrienne Lachapelle was appointed to teach Commercial Geography, Law and Economics. We welcome Miss Lachapelle and Mrs. Owen to our staff and wish them every success and happiness.

The prizes annually awarded to the members of the senior class were as follows: To Miss Jessie Credit was presented the Good Citizenship Certificate, given by the Daughters of the American Revolution; To Miss Grace Gagliardi was presented the Becker Junior College Scholarship Key for proficiency in commercial subjects; To Miss Ann Schunmann was presented the Millbury Woman's Club Scholarship Award of one hundred dollars; To Miss Marjorie Shaw was presented the Massachusetts Society of the Sons of the American Revolution Award for the highest average in American History.

We were again pleased to receive from Mr. A. Russell Mack, Supervisor of Secondary Education, our certificate of approval as a Class "A" High School for the ensuing school year.

We were also very pleased to have been presented a Treasury Citation for our assistance in the promoting of Defense Bonds.

Another pleasant and successful year was enjoyed by our clubs and organizations under the guidance and leadership of the following teachers: Boys' Athletics, Mr. Martin Roach; Girls' Athletics, Miss Mary Chappell; The French Club, Miss Helen Brown; The Science Club, Mr. Thomas McGinn; The Biology Club, Mr. Richard Kenary; The Junior Red Cross, Mrs. Frances Cofske and Mr. Raymond Shaw; The Reflector, Mrs. John Owen; The Dramatic Club, Miss Margaret Marlborough; The Glee Club, Orchestra and Talent Group, Miss Katherine Bowe; Public Speaking, Miss Mary Harris; Cheering Squad, Mr. Paul Lacouture, Miss Adrienne Lachapelle and Miss Mary Chappell.

We again attained an attendance percentage of over 95%, which pleases us very much, and for which no little measure of credit belongs to the parents of the pupils of Millbury High School for their fine spirit of cooperation with the school.

REPORT OF MISS MARY J. CHAPPELL, SUPERVISOR OF PHYSICAL EDUCATION

Physical education in the elementary grades is limited in most of the schools due to inadequate facilities to present a full program. All the schools, however, have sufficient playground space to present outdoor games and skills but not every school has adequate space inside, therefore, a large part of the program is presented in the classroom. The program for elementary grades consists of games of low organization, rhythms, exercises, relays, square dancing, singing and Folk dancing.

Last year a Field Day was put on late in June of the school year in which boys and girls from grades one through six participated. They competed in relays, dashes, softball, throw for distance and kick for distance.

In the high school the girls have two sports, Field Hockey and Basketball, in which they compete with other schools. During the class period the girls have volley ball and other games of high organization, square dancing, Folk and ballroom dancing, and exercises.

Physical education is a very important aspect of education. All forms of education must meet the child's needs so that he will not be a social misfit when his school life ends.

REPORT OF MISS ROSE B. NERI, SUPERVISOR OF HOME ECONOMICS

The art of sewing today can be achieved by anyone with the initiative to learn. Modern methods and facilities are greatly responsible for the enthusiasm girls have to procure an extensive knowledge of the sewing art. One of the main objectives in a sewing class is to stimulate the interest required to produce good workmanship.

The elementary sewing classes acquire a thorough knowledge of the fundamental hand stitches and several of the ornate stitches. These stitches are presented in constructing three articles for the sewing kit and a small household article. The latter part of the year is devoted to a comprehensive study of the sewing machine. This year the seventh grade girls, while learning and practicing the hand stitches, are making a decorative pot holder for a Christmas gift.

At the beginning of the year, eighth grade pupils master the operation of the sewing machine while making various seams. Many of the seams and sewing techniques learned are applied in making three projects—an apron, a lingerie garment and a cotton dress. Modern commercial patterns are used, at which time the girls are taught to read the symbols and follow directions given with the patterns; they also are instructed to alter standard pattern measurements to their individual measurements. In the process of making these projects the pupils will be presented with new tailoring skills which are mastered as they appear.

The senior high school girls continue to develop a diversity of tailoring skills. They select varied projects and fabrics in order to become familiar with all phases of clothing. There is some instruction in the proper selection of line, color and fashion for making different personalities more attractive. A major aim is to have them make the most of their potentialities in the sewing art—a specialized subject of great importance to every girl.

REPORT OF MR. WILMAR H. ELA, SUPERVISOR OF INDUSTRIAL ARTS

The Industrial Arts program in the schools of Millbury develops values of tool skills, mechanical knowledge, and vocational skills which are fundamental to bring about a complete educational, industrial, and social life.

These values and skills are brought to the pupils by presenting courses in Woodwork, Mechanical Drawing, and Home Mechanics.

Junior High School pupils gain knowledge through constructing **projects in wood and participating** in the solving of practical problems in Home Mechanics.

High School pupils develop individual skills by transforming lumber and materials into useful projects. Mechanical Drawing presented to pupils in the High School emphasizes skills needed to develop ideas, from sketches to the completed blueprint. Lamps, tables, costumers, shelves, shoe racks, and picture frames, are some of the projects that are developed and made by boys in the Mechanical Drawing department and in the Woodworking shop.

REPORT OF MISS KATHERINE M. BOWE, SUPERVISOR OF MUSIC

Music has become a vitally important part of the school program of education. It is recognized as a moral, physical and spiritual necessity in the development of character in the youth of today.

Starting in the first grades with rote songs and finger play, and progressing through the elementary classes with the addition of syllable reading, theory, rhythmic changes and simple part-singing, an excellent foundation in the fundamentals has been acquired by the time the children enter the Junior High School. The elementary schools are visited by me once every three weeks, at which time a new assignment is given and the previous work reviewed.

In the Junior High School two forty-minute periods are held once a week for the combined seventh grades and also for the eighth grades.

In the High School, a Glee Club, which is elective, consists of about sixty voices. Rehearsals are held one period a week. This group participates in the singing of more difficult harmonic numbers and work to perfect their enunciation, pronunciation and expression.

Orchestra rehearsal is also held one period a week. This group of boys and girls, 12 in number, thoroughly enjoy their music and derive great benefits from ensemble work.

In the past year new books were purchased for the grammar schools.

REPORT OF MISS FLORENCE M. SCARPACI, SUPERVISOR OF ART

The general aims of the art course are: To develop the ability to appreciate, enjoy, and select that which is beautiful in the objects which make up one's environment; to develop the creative imagination through the planning and making of that which is beautiful; to gain definite knowledge of and interest in the development of art in the past and the present processes through which objects of beauty are created.

In the elementary grades the work is planned to give the children training in the fundamental principles of design, color harmony and drawing; to develop accuracy and neatness in the handling of materials; and to develop habits of orderly thought and good taste.

The principles of design, unity, variety, and consistent arrangement are emphasized in the Junior High School. More opportunity is provided for creative expression, development of talent and initiative.

The purpose of the art course in the High School is to develop ability to express beauty through the use of the principles of harmony of line, tone, and color. In mastering the principles of freehand sketching, perspective drawing, painting and design, the individual pupil learns to observe, to study, to plan and to act, thereby acquiring habits, ideals, and appreciations.

REPORT OF RICHARD E. CHURCH, M.D., SCHOOL PHYSICIAN

The annual examination of the school children has been completed. For the most part this included the odd grades; however, the feet of all were examined. The pupils of grades one through four were stripped to the waist for the examination. High School students engaged in athletics were given a special examination.

The pre-school examination was conducted in the spring by Doctor Brown.

The outstanding defect that I found was poor teeth, particularly in the lower grades, which evidently has been the case in the past.

REPORT OF MISS MAY A. STAFFORD, R.N., SCHOOL NURSE

The school may lead in the health program, but final responsibility for the health of the child belongs to the parents.

The daily morning inspection for cleanliness, neatness and symptoms of disease, and the continued observation during the day has helped to prevent the spread of disease.

The annual physical examinations given by the School Physician have been completed. This year the spaced examinations were tried as we feel that more time can be given to each pupil and a more thorough examination made. However, at East and West Millbury all pupils were examined, but at the other schools the first, third, fifth, seventh, ninth and eleventh grades were examined, with the children of the lower grades being stripped to the waist. The feet of all pupils were examined. As a result of these examinations the following defects were found:

Carious teeth	185
Hypertrophied tonsils	81
Skin	3
Facial Acne	19
Minor heart condition	8
Feet (arch) grades 1-8	119
Feet (arch) High School	41

Notice of these defects will be sent to the parents.

CLINICS

Pre-School

Ninety-two children were examined at the four clinics held in May, and through the cooperation of the Board of Health, children whose parents requested it, were vaccinated. These clinics give the parent an opportunity to discuss with the School Physician the defects found. A number of parents had their children examined by their family physician and the health cards were filled out by them. We do encourage this examination.

Dental

The dental clinic, sponsored by the Board of Health and in charge of Dr. M. M. Hennebery, is held once a week. At times it is necessary to have extra clinics to care for all who apply to have work done. Twenty clinics were held from January 11 to December 20 and the following work was done:

Permanent fillings	321
Temporary fillings	14
Prophylaxis	41
Treatments	18
Extractions (permanent teeth) ..	6
Extractions (temporary teeth) ..	48
Examinations	411

Again as in the past, carious teeth headed the list of defects. Although the record is high, it has improved over other years. I think the dental clinic accounts in some part for this improvement. Once more we urge parents to take their children to their family dentist and save that important six-year molar. Miss Rosilda Lindsay's first grade was the only grade in which every child received a dental card. Every teacher is trying to encourage dental attention.

Vision and Hearing

The eye testing with the new Massachusetts Vision chart, and the hearing test with our new Maico Audiometer will soon be finished. The census of physically handicapped children has been taken and sent to the Department of Education and Public Health.

One of our handicapped children is attending the sight-saving class at the Grafton Street School in Worcester and his work has improved a great deal. Another child who is too young for a hearing aid is to attend the lip-reading class in Worcester. Five of our children who cannot enter our classes because of some handicap are attending a special school in Worcester.

The weighing and measuring of the children has been completed in all schools.

Five girls were sent to Sterling Health Camp during the summer; one girl enjoyed an eight weeks' vacation and the other four remained four weeks.

The Salvation Army Fund has helped us with many of our problems. We have supplied clothing, shoes, rubbers, overshoes, Xmas toys, and paid for medical aid and dental work.

Three hundred and twenty-five home calls were made, and sixty children were taken home when they were too ill to remain in school. Many of these children are sent to school sick, and we again ask parents to keep sick children at home.

The usual number of contagious diseases were reported during the year. During the last two months an outbreak of mumps has disrupted the attendance records.

Several health meetings have been attended during the year. New cots were purchased for the East and West Millbury Schools.
